

At Diefenbacher Donovan Sieber Dental, we take pride in providing exceptional patient care while creating a positive, supportive environment for our team.

We're currently seeking a Registered Dental Hygienist who values teamwork, professionalism, and delivering an outstanding patient experience. If you're passionate about building lasting relationships and making a difference in your patients' oral health, we'd love to meet you.

New graduates are encouraged to apply! We're happy to arrange a working interview so you can meet our team and experience our welcoming practice firsthand.

To be considered please email your resume to: dds dental@culturedhr.com

Hours:

- **Monday** 1pm to 8pm
- **Wednesday** 12:45pm to 6pm

We are looking for individuals who:

- Have successfully completed a Dental Hygiene Diploma or Hygiene Degree program
- Are registered with the College of Dental Hygienist of Ontario (C.D.H.O)
- Holds a valid First Aid/CPR Certification
- Are focused on high-quality patient care
- Are punctual with appointment times
- Enjoys working in a team environment
- Have working knowledge of AbelDent software (an asset)

Who We Are:

Diefenbacher Donovan Sieber Dental is a private practice and has been proudly serving the Kitchener area for over 65 years. We offer a number of preventative, restorative, and cosmetic services. Our team is devoted to providing high standards, uncompromised safety, education and prevention, community service, a positive experience, and training and expertise to our employees and patients.

Here are a few reasons why you would want to join our team:

- **Competitive compensation & benefits:** Our compensation packages are reviewed annually to ensure alignment with industry standards. In addition, we offer:
 - twice a year bonus'
 - RRSP matching
 - professional courtesy for dental care up to \$1,000 per calendar year for employees and their immediate family
 - formalized Employee and Family Assistance Program (EFAP)
- **Established and stable practice:** Our successful practice is a leader in patient care, providing a range of services to a loyal and established patient base for over 65 years.
- **Health & Safety and Compliance:** The practice has a strong health and safety culture, with compliance measures embedded in every aspect of the workplace.
- **Career development:** A career with us ensures you have the support, tools, and encouragement you need to grow and evolve as a professional on your individual career path, including access to professional development opportunities.

- **Patient-focused care:** With every decision we make and each action we take, our focus is always on the patient – our practice revolves around delivering a consistently outstanding patient experience.
- **Respect for our people:** The team is built on a culture of respect and positivity. We have a fun, positive work environment that fosters dedication and mutual respect. Hygienists are paid for no shows and/or short notice cancellations.
- **Work-life flexibility:** Everyone has a life outside the practice, and we are committed to helping each team member find a healthy, sustainable balance between home and career.

If you thrive in a culture of recognition, inclusivity, and professional development, DDS Dental could be a great fit!
